

# GROWMOBILE

United Way's Empower: *Women United in Philanthropy's* mission is to prepare children in our community for kindergarten. One of the significant ways Empower is working to achieve this goal is through the **Growmobile**. The Growmobile is a mobile preschool providing access to early childhood and parent education for children, families and childcares across the community.

**We are currently seeking new child cares to visit during the 2013-2014 school year. A visit would include a biweekly, on-site, lesson from the Success By 6 Coordinator using the Creative Curriculum model and 30+ free books and preschool curriculum for you to utilize between visits; at no cost to you!**
